

# Target Market Determination

## for Sharia -Fixed Product

This Target Market Determination (**TMD**) which is required by law is to make sure that our customers objectives and needs are considered when designing and distributing our credit products. This TMD describes the type of customers that our product is targeted at (the **Target Market**) and any conditions around how we allow the product to be distributed to our customers (**Distribution Conditions**). We have also included the events or circumstances that will cause us to review this TMD and ensure that it is still appropriate for our product (**Review Triggers**).

***IMPORTANT:** This TMD is general in nature and should not be construed as or used to substitute for professional financial or legal advice. It is important to understand that this TMD does not consider the specific objectives, financial situation, or needs of any customer on an individual level. If you are considering acquiring the product(s) referred to in this TMD, to ensure that these product(s) align with your unique personal and financial circumstances, we strongly recommend that you carefully review the product(s) relevant **terms and conditions** and **credit guide** and seek independent financial or legal advice before making any decision.*

## Eligibility Criteria for the Product

To be eligible for this product the customer must meet certain eligibility criteria, including that the customer:

- are individual borrowers (as single or joint borrowers);
- at least 18 years of age and above;
- is an Australian Citizen or a permanent resident;
- meets our finance eligibility criteria; and
- provide sufficient security in accordance with our lending eligibility criteria; and/or guarantor who supports the finance also meets our lending eligibility criteria.

## Financial Situation

The financial situation of the Target Market are consumers that:

- meet our lending eligibility and credit assessment criteria which includes demonstrating serviceability of the finance;
- demonstrate the capacity to make the required payments and the ability to pay off the finance without substantial hardship; and
- where determined by us to be required, (based on the customers' deposit size, security, applicant, and finance attributes), will pay Financiers Mortgage Insurance or have an acceptable guarantor.

Upon application we will undertake an assessment to determine the consumer's ability to service the finance, which is our process of determining that the product is consistent with the financial situation of the Target Market.

## Distribution Conditions & Approved Channels

Columbus has oversight over how the product is promoted and issued. The following distribution channels and conditions have been assessed as being appropriate to direct the distribution of the product to the Target Market product and in accordance with our process requirements.
