

Target Market Determination

for Sharia - Variable Product

This Target Market Determination (**TMD**) which is required by law is to make sure that our customers objectives and needs are considered when designing and distributing our credit products. This TMD describes the type of customers that our product is targeted at (the **Target Market**) and any conditions around how we allow the product to be distributed to our customers (**Distribution Conditions**). We have also included the events or circumstances where we will review this TMD and ensure that it is still appropriate for our product (**Review Triggers**).

***IMPORTANT:** This TMD is general in nature and should not be construed as or used to substitute for professional financial or legal advice. It is important to understand that this TMD does not consider the specific objectives, financial situation, or needs of any customer on an individual level. If you are considering acquiring the product(s) referred to in this TMD, to ensure that these product(s) align with your unique personal and financial circumstances, we strongly recommend that you carefully review the product(s) relevant **terms and conditions** and **credit guide** and seek independent financial and legal advice before making any decision.*
